As part of our equal opportunities policy, the Club opposes all forms of unlawful or unfair discrimination on the grounds of disability. The Club operates a ticketing policy for disabled supporters and will ensure that the scheme does not discriminate between disabled people with differing impairments.

9.4 Definitions of Disability

As a fundamental principal, the Equality Act 2010 states that disabled people should not be treated "less favourably, without justification" and that reasonable adjustments should be made to make goods, facilities and services accessible. For the purpose of this policy only, the definition of a disabled person is; any person who, because of their disability or impairment, is unable to use areas of stand seating or terracing without contravening Health and Safety Regulations, Guidelines or Policy. Any such person will be considered for the use of the "designated areas" of the stadium, in line with the procedures set out in this policy.

9.5 Proof of Disability

A person is considered disabled if he/she has a physical or mental impairment which has a substantial long term adverse affect on his/her ability to carry out normal day to day activities. The said person should have proof of this disability, and examples of such proof are, documentary evidence demonstrating current receipt of middle or high rate Disability Living allowance, (mobility or care component), receipt of either Severe Disablement Allowance or Attendance Allowance, or a personal letter from your GP. Morecambe FC will ask for proof of entitlement when tickets and/or disabled car parking are purchased.

9.6 Ticket Pricing for Disabled Persons

The pricing structure for disabled persons is as follows:

The disabled person will pay the concessionary price relevant to the area of the ground that they enter (except in the case of a 16 year old or under, who would pay that relevant price). If a

carer/assistant is required to provide assistance in order to attend matches at the Mazuma Stadium, we will allow one free carer/assistant ticket for anyone who can provide proof they receive either the middle or high rate of DLA care allowance, or medium or enhanced PIP. We will also accept the high rate of mobility for DLA, and the enhanced mobility rate of PIP.

The Club reserves the right to request proof of disability before issuing any concessionary price. Season tickets will be made available for disabled persons and their carer if the need arises.
