

TRAVEL TO THE MAZUMA

We are looking forward to greeting you at the Mazuma Stadium for what will be a great night's entertainment. The Club is taking steps to reduce its carbon footprint and hopes that its guests will play their part as well. Transport produces some 27% of the UK's Greenhouse Gas emissions – but small steps that we take as individuals can accumulate and help reduce our impact. With that in mind, here is some information about travel options.

WALKING

Around 40% of our ticket sales are to people living within 30 minutes' walk from the Stadium. What better way to get your energy levels up to enjoy the concert and tick off your daily step count? You will get away faster when the concert is over as we are giving pedestrians priority. And everyone in the party can enjoy a drink without worry.

CYCLING

We see from ticket sales that our concerts are family events and family cycling has taken off in the District. There is a great network of dedicated cycle paths linking the Mazuma to Morecambe, Lancaster and beyond and we have plenty of secure cycle storage on site. See https://visitlancaster.org.uk/wp-content/files_mf/1588680389LancasterandMorecambeBayCyclingMapWeb.pdf to plan your route. Don't forget your lights for the return journey.

BY BUS

The Mazuma is served by Stagecoach service 6A which stops directly outside, whilst high frequency services 1/1A pass down Westminster Road, crossing Regent Road a few minutes' walk from the stadium. Both provide a link between Morecambe and Lancaster.

The above information has been provided for concertgoers' convenience. It was compiled on 19th May so should be accurate, but we advise everyone to do their own checks and we won't accept any liability for errors or omissions.

BY TRAIN

For those coming to the concert from further afield, although Morecambe Station is just 20 minutes walk away, in the summer timetable starting 21st May there are no services after 20:10. So although you could arrive at Morecambe by train, return journeys would need to start from Lancaster Station, best reached by Bus Service 1/1A to Lancaster Bus Station (short walk to the Rail Station) or by booking a taxi.
